AT RICHMOND, JANUARY 30, 2003

COMMONWEALTH OF VIRGINIA, ex rel.

STATE CORPORATION COMMISSION

Ex Parte: In the matter of
considering an electricity
retail access pilot program -
Virginia Electric and Power
Company

CASE NO. PUE-1998-00813

DISMISSAL ORDER

On April 28, 2000, the State Corporation Commission ("Commission") entered an order approving the application by Virginia Electric and Power Company d/b/a Dominion Virginia Power ("Dominion Virginia Power" or the "Company") for approval of an electric retail access pilot program ("Pilot Program"). The Commission directed the Pilot Program to begin September 1, 2000, and end when the participants are permitted to choose their competitive suppliers on a non-pilot basis.

On March 30, 2001, the Commission entered an order in Case No. PUE-2000-00740 adopting a schedule for transition to full retail choice for electric generation.¹ The Commission directed that Dominion Virginia Power begin a one-year phase-in beginning January 1, 2002, to be completed January 1, 2003.

¹ Commonwealth of Virginia ex rel. State Corporation Commission, Ex Parte: In the matter concerning a draft plan for phase-in of retail electric competition, Case No. PUE-2000-00740, 2001 S.C.C. Ann. Rept. 495.

NOW UPON CONSIDERATION that the date for phase-in of retail competition in the Company's service territory has passed, the Commission finds that Case No. PUE-1998-00813 should be dismissed from our docket of active proceedings. Participants in Dominion Virginia Power's Pilot Program may now choose their competitive suppliers on a non-pilot basis.

ACCORDINGLY, IT IS ORDERED THAT the captioned matter should be dismissed from the Commission's docket of active cases and the papers filed therein placed in the Commission's file for ended causes.
